

Do it Best® Rust Coat Enamel

Do it Best Rust Coat Enamel

Description:

Rust preventive alkyd formula resists moisture and corrosion. Use on metal, wood, concrete, and masonry. Sixteen half pint and quart colors and twelve gallon colors. Durable gloss finish for indoor/outdoor use. Surface coverage: 25 sq. ft. per half pint, 100 sq. ft. per quart, and 400 sq. ft. per gallon. For spray application, you may reduce with 10% Naphtha (12 oz. per gallon). Refer to pricing for available sizes and colors. Also available in flat white and black and satin.
