Inventory Reduction  
**TENT SALE**

We held a successful tent sale for slow moving inventory and “mistake” orders at Cavo’s last month. There are still many bargain items available. After the first week of September we will ship any leftovers to Ilion to sell them there. The prices on these products are ridiculously low!

Products include:

Doors, windows, vinyl siding, bathroom fixtures, countertops and much more.

**New inventory items:**

- Channellock brand fiberglass handle sledges, picks, mattocks. (Cavo’s & Ilion)

- Delta 2 handle kitchen faucet w/spray. (Ilion)

- 1-5/8” X 12’ metal stud 20 gauge. (Cavo’s)

- Torx drive deck screws 2”, 2-1/2”, 3”. (Cavo’s - Ilion already stocks these)

**Commodities update:**

- Metal studs and accessories as well as metal lath and related items will increase effective September 22, 2014. Increase amount, if it sticks, may be as much as 10%. It is doubtful this will stick.
- IKO is announcing a 6-8% increase in roof shingle prices for 09/08/14. It is doubtful that retail prices will be affected this year.
- USG has announced the next improvement to the drywall line with the introduction of Imperial Ultralight in 1/2” thickness. Plans are to have a rolling change over from the regular weight product to the new product in September and October.
- Panel products - OSB remains steady to up only slightly while SYP plywood is stubbornly holding on the very high prices it has gained over the last month.
- Dimension lumber: SPF and Fir products are trading at pretty high prices with no real let up in sight. SYP treated lumber has been steadily and noticeably increasing throughout August which is very unusual.

**Words Worth Reading:**

How to Call the Police When You’re Old, and Don’t Move Fast Anymore

George Phillips, an elderly man, from Tampa, Florida, was going to bed when his wife told him that he’d left the light on in the garden shed, which she could see from the bedroom window. George opened the back door to go turn off the light, but saw that there were people in the shed stealing things.

He phoned the police, who asked “Is someone in your house?”

He said “No, but some people are breaking into my garden shed and stealing from me.”

Then the police dispatcher said, “All patrols are busy. You should lock your doors and an officer will be along when one is available.”

George said, “Okay.”

He hung up the phone and counted to 30. Then he phoned the police again.

“Hello, I just called you a few seconds ago because there were people stealing things from my shed. Well, you don’t have to worry about them now because I just shot and killed them both. The dogs are eating them right now.” and he hung up.

Within five minutes six police cars, a SWAT team, helicopter, two fire trucks, a paramedic, and an ambulance showed up at the Phillips’ residence and caught the burglars red-handed.

One of the policemen said to George, “I thought you said that you’d shot them!”

George said, “I thought you said there was nobody available!”
