~ While Supplies Last ~

## Commodities update:

- We received an unexpected price increase announcement from the steel stud manufacturers. Instead of a 5% increase on 1/1/14, they are passing on a 10% increase on 12/6/13.
- Gypsum, as we have been announcing for 3 months now, will be increasing substantially on 1/1/14. We expect a 4 to 5 cent per square foot increase to take place which will be the only increase for the year. Board supply will be tight, especially this month before the increase, so please discuss your needs with us more in advance than usual.
- Greenfiber, our cellulose insulation vendor, will increase prices by 5% on 1/1/14.
- Metal lath and accessories will increase 5% on 12/13/13.
- Panel products: OSB price levels are very low and are not expected to remain this low for the coming weeks/months. SYP plywood while not really low priced now has the potential to rise further considering the low levels of inventory at the distribution and retail level.
- Dimension lumber: Eastern & Western spruce and Coastal/Inland are more or less in a holding pattern with mills relying on previous order files, even though new business is not as active. PT lumber is noticeably strong for this time of year following the price of southern pine.

## Words worth reading:

Life is an opportunity, benefit from it.  
Life is beauty, admire it.  
Life is a dream, realize it.  
Life is a challenge, meet it.  
Life is a duty, complete it.  
Life is a game, play it.  
Life is a promise, fulfill it.  
Life is sorrow, overcome it.  
Life is a song, sing it.  
Life is a struggle, accept it.  
Life is a tragedy, confront it.  
Life is an adventure, dare it.  
Life is luck, make it.  
Life is too precious, do not destroy it.  
Life is life, fight for it.

**-Mother Teresa**

for the answer to this month's  
BRAIN BUILDER!

## Hardware Humor:

They had to take the batteries out of those stud finders. I kept setting them off every time I walked by.
