## Commodities update:

- As is the case each year this time, concrete block prices have risen - this year in the 6-8% range. We are still waiting to hear of the increase on Versa-lok retaining wall blocks.
- USG Interiors increases from last month on ceiling tile and ceiling grid are now in effect.
- We are still in the process of raising prices on joint treatment products which increased last month.
- Polyethylene sheeting will be seeing increases, most likely this month, due to raw material price increases.
- Panel products: both OSB and SYP plywood are inching up in price and some are saying the increases may be substantial when the building season kicks into higher gear.
- Dimension Lumber (Eastern & Western SPF and Coastal/Inland Fir) markets are using words like stagnant, sluggish, and flat to describe recent sales. While prices have not come off, indications are that they may in a few weeks. Treated lumber sales have been slow as reported by treaters, but prices are still very high for this time of year. It's shaping up for another expensive treated lumber year.

## Words worth reading:

### **In This Life**

Anything in this life is possible, even the most improbable and unexpected.

Anything in this life is more possible through hard work, determination and prayer.

Mostly in this life, but at least in the next, we are rewarded for our good deeds and punished for our misdeeds.

In this life, it is other people, friends and family, that are most important and definitely not money or material wealth.

Whatever you do in this life, do it the best you can, to your best ability, because it is not worth the effort otherwise.

You will find in this life that it is the love that you show and give to others that will give you the most joy and fulfillment.

In this life, there are many religions and different religious beliefs, but it is the central realization of the presence of God in our lives that will give you the direction, the hope and the will to lead a life of meaning.

## New inventory items:

- GAF Timberline HD shingles now stocked at Cavo's (Ilion already stocks)
- Quikrete Sand/Topping Mix 80lb (Cavo's)
- Yo-Ho 30" poly ice scraper/snow pusher (Ilion/Cavo's)
- Delta shower faucet - chrome (Ilion)

## Hardware Humor:

**There was an awkward moment on the jobsite when the crew realized that Howard, the new hire, didn't actually know how to use a hawk.**

## Brain builder: Can you hammer out the answer?

**Rearrange the letters in the words "new door" to make one word.**
