Commodities Update:

- Panel products- OSB as of this printing, seems to be losing the price war with some reasonable drops in price occurring while SYP plywood has been falling as well.
- Dimension Lumber- Most species are experiencing either slight increases or slight decreases now after a few months of prices falling. SYP lumber (treated) seems to still be falling.
- Drywall manufacturers are starting to publicize their early 2019 price increase, as they have for the last handful of years. As we get close to the new year we'll have a clearer idea of what the increase may be.
- Dow Chemical is announcing a 7% increase on extruded polystyrene rigid insulation (blue foam) for 11/9/18
- Tapcon concrete screws are scheduled to increase in cost by 8% on 11/1/18.

Quote to Think About:

"If there is light in the soul, there will be beauty in the person. If there is beauty in the person, there will be harmony in the house. If there is harmony in the house, there will be order in the nation. If there is order in the nation, there will be peace in the world."

Words Worth Reading:

Breakfast

As I put on my tie
and leave the bedroom,
I hear you murmuring in the dark.
The half-wake, half-dream
script you recite.
I know you won't fall back to asleep.
so I come and sit
on the edge of your bed
and let you slide your arms
around my neck.
We make our way downstairs,
your weight on my back,
in the late October early morning dark.
In my ear you breathe
your first thoughts of the day.
What's occupied your mind in the night
is ready to come out, in no particular order:
superheroes, and skunks, and
"Daddy, didn't you know that..."

I put on coffee and
we sit in the soft light of the kitchen
while you eat a banana
and I wonder
at the beauty that you are.
Normally, I'm here alone,
scurrying through a checklist,
grabbing my things to-go.
But today
you're here with me, my boy.
So I sit in semi-silence,
put my arm around your shoulders,
drinking my coffee
and this moment
that is yours and mine alone.
