Commodities update:

- Panel Products: OSB, despite mill closures, curtailments and maintenance shutdowns as well as last month's hurricane, still finds itself at a low price level. SYP plywood has seen its market languish on the low side also, but there are indications it is headed in an upward trajectory.
- Dimension Lumber: SPF market had shown signs of tightness earlier this past month, but seems to have settled back and look to be flat at least for the early part of this month. SYP(treated species) has seen some increase in selected dimensions, but longer term doesn't hold much reliance on increased pricing.
- Atruim windows, a major vinyl window vendor of ours, is getting back to a more reasonable delivery cycle after they've worked through some plant integration challenges.

Hot Deal Hut:

At your next stop to our store, visit our new clearance shed-we call it the "Hot Deal Hut". It's stocked full of our mistakes over the last few years! We've got kitchen cabinets, new and replacement vinyl windows, bathroom furniture and many more products-all priced at "get rid of them" prices.

Quote to Think About:

"Opportunities don't just happen to us. They happen because someone pushed before us so that we could have the opportunity in the first place. They happen because someone else fought, persisted and persevered."

Maria Shriver

Words Worth Reading:

*I have to live with myself, and so
I want to be fit for myself to know,
I want to be able, as days go by,
Always to look myself straight in the eye,
I don't want to stand, with the setting sun,
And hate myself for the things I've done.*

*I don't want to keep on a closet shelf,
A lot of secrets about myself,
And fool myself, as I come and go,
Into thinking that nobody else will know
The kind of man I really am,
I don't want to dress up myself in sham.*

*I want to go out with my head erect,
I want to deserve all men's respect;
But here in the struggle for fame and pelf,
I want to be able to like myself.
I don't want to look at myself and know
That I'm bluster and bluff and empty show.*

*I never can hide myself from me;
I see what others may never see;
I know what others may never know;
I never can fool myself, and so,
Whatever happens, I want to be
Self-respecting and conscience free.*

-Edgar A. Guest
