

Elevate™

New composite decking now available at **Ilion Lumber!**

Strong. Dynamic. Fundamental.

Get advanced protection and beauty without breaking your budget with Elevate composite decking. Our introductory capped wood composite board is shielded with a protective coating to help prevent damage from impact, corrosion, and weathering in virtually any environment. Additional defense lies in our proprietary Solid Core for zero structural field failures on the ground, in the ground or underwater. Available in a curated selection of classic and premium color options, Elevate composite decking allows you to create a stylish, durable outdoor environment simply and affordably.
