Year round full time work. Competitive
pay and full benefits package.

Commodities Update:

- Dimension lumber, after a strong start to the year, seems to be pausing on increases, as if trying to catch its breath. As of this writing, we're not quite sure what direction the next few weeks/ month will go. Lumber is still an excellent value at today's prices.
- Panels: OSB and SYP plywood seem to still have strength and continue to escalate.
- Dupont has postponed the 10% increase on rigid Styrofoam insulation previously announced, until 4/1/23.
- Cellulose insulation has seen a few increases in the past 2-3 months due to high demand caused, some say, by the scarcity of loose fiberglass insulation.
- Retails have been raised on our USG Interiors ceiling tiles, as announced last month.
- Clark Dietrich is pushing for a 10% increase on steel studs and related products for 3/3/23. Their last announced increase in January did not materialize

Brain Builder: See if you can figure it out!

A man describes his daughters saying: "They are all blonde, but two; all brunette but two and all redheaded but two." How many daughters does he have?

Quote to Think About:

"Far and away the best prize that life has to offer is the chance to work hard at work worth doing."

Teddy Roosevelt

Words Worth Reading:

"In This Life"

Anything is possible in this life,
even the most improbable and unexpected.

Anything in this life is more possible
through hard work, determination and prayer.

Mostly in this life, but at least in the next,
we are rewarded for our good deeds
and punished for our misdeeds.

In this life, it is other people,
friends and family
that are most important,
and definitely not money or material wealth.

Whatever you do in this life,
do it the best you can, to the best of your ability,
because it is not worth the effort otherwise.

You will find that in this life
it is the love you show and give to others
that will give you the most joy and fulfillment.

In this life, there are many religions and different religious
beliefs,
but it is the central realization of the presence of God in our
lives
that will give you the direction, the hope
and the will to lead a life of meaning.
