## Commodities Update:

- Panel products: both OSB and Southern Yellow Pine (SYP) plywood markets continue to heat up. Some OSB mills are sold out into June which usually indicates heftier increases than the last month or two, while plywood has been consistent in its price bumps. Huber products- Zip and Advantech have had small upward jumps also.
- Dimension lumber: SPF is starting to trade at higher prices, though not in the crazy increases we saw last year. Pressure Treated has also seen moderate increases for the most part, but 2x12, decking (5/4x6), and timbers (4x4,4x6,6x6) have been rising much more aggressively as of this writing.
- All major shingle manufacturers have announced increases of 3-5% for May 15. We will, most likely, raise prices in early June.
- Steel studs will again be increasing 10% on May 1.
- Packaged Portland and Masonry cements will increase \$.40 and \$.30 per bag respectively on July 1.
- ABC, our main steel roofing/siding vendor, has announced a 5% increase for May 22.

## Words Worth Reading:

**Don't Laugh at Me**  
Song by Mark Wills

*I'm a little boy with glasses  
The one they call the geek  
A little girl who never smiles  
'Cause I've got braces on my teeth  
And I know how it feels  
To cry myself to sleep  
I'm that kid on every playground  
Who's always chosen last  
A single teenage mother  
Tryin' to overcome my past  
You don't have to be my friend  
But is it too much to ask...  
Don't laugh at me, don't call me names  
Don't get your pleasure from my pain  
'Cause in God's eyes we're all the same  
Someday we'll all have perfect wings  
Don't laugh at me*

*I'm the cripple on the corner  
You pass me on the street  
And I wouldn't be out here beggin'  
If I had enough to eat  
And don't think I don't notice  
That our eyes never meet*

*I lost my wife and little boy  
When someone crossed that yellow line  
The day we laid 'em in the ground  
Is the day I lost my mind  
Right now I'm down to holdin'  
This little cardboard sign...*

*So don't laugh at me, don't call me names  
Don't get your pleasure from my pain  
'Cause in God's eyes we're all the same  
Someday we'll all have perfect wings  
Don't laugh at me*

*I'm fat, I'm thin, I'm short, I'm tall  
I'm deaf, I'm blind, hey, aren't we all?*

*Don't laugh at me, don't call me names  
Don't get your pleasure from my pain  
'Cause in God's eyes we're all the same  
Some day we'll all have perfect wings  
Don't laugh at me*

## Quote to Think About:

*"I'm not concerned with your  
liking or disliking me.  
All I ask is that you respect me as  
a human being."*

**Jackie Robinson** (first baseball player to  
break the color barrier  
In Major League Baseball)
