Commodities Update:

- Panels: The good news on **OSB** is that pricing seems to have flattened with numbers remaining steady. The bad news is that pricing is much, much higher than it was eight weeks ago. Same seems to apply to **SYP plywood**, all things considered might indicate that a downward price correction is imminent. We'll soon see.
- Dimension lumber: Both **SPF** and **SYP** (our **PT** species) have seen downward print for the last month. It seems to have settled into an attractive cost for dealers and builders alike. Not expected to stay down this low for long though.
- **Rockwool** has announced an 8% increase for July 1. Supply still remains very tight but we have managed to stay pretty well in stock with our needs.
- Dupont and Owens Corning have announced 9% increases for May 20 on extruded foam (**Styrofoam**) products, although it is very unlikely this increase will take hold.

Words Worth Reading: With school graduations coming soon, many parents are contemplating giving last minute advice to their children, like in this Tim McGraw song, before their kids "leave the nest".

Humble and Kind

You know there's a light that glows by the front door.
Don't forget the key's under the mat.
When childhood stars shine,
Always stay humble and kind.
Go to church 'cause your Momma says to,
Visit your Grandpa every chance that you can.
It won't be a waste of time,
Always stay humble and kind.

Hold the door, say please, say thank you.
Don't steal, don't cheat and don't lie.
I know you got mountains to climb but
Always stay humble and kind.
When your dreams you're dreamin' come to you,
When the work you put in is realized,
Let yourself feel the pride but
Always stay humble and kind.

Don't expect a free ride from no one.
Don't hold a grudge or a chip and here's why-
Bitterness keeps you from flyin'.
Always stay humble and kind.

Hold the door, say please, say thank you.
Don't steal and don't cheat and don't lie.
I know you got mountains to climb but
Always stay humble and kind.
When those dreams you're dreamin' come to you,
When the work you put in is realized,
Let yourself feel the pride but
Always stay humble and kind.

When it's hot eat a root beer popsicle.
Shut off the AC and roll the windows down.
Let that summer sun shine and
Always stay humble and kind.
Don't take for granted the love this life gives you.
When you get where you're goin' don't
forget to to turn back around and
help the next one in line.
Always stay humble and kind.
