## Commodities Update:

- Panels: The OSB market is somewhat flat , neither increasing nor decreasing at the retail level. SYP plywood market has been very active with prices higher as this market gains strength.
- Dimension lumber: prices continue to climb on SPF this month and we're seeing 2x6 to be especially volatile with \$50/MBF increases last week alone. SYP (and PT) is seeing a mixed market movement- some dimensions up, some down, but no significant changes.
- Roofing manufacturers announced a 4-6% increase for 8/1/24 and, as you might expect, Certainteed and GAF are on controlled distribution (allocation) which means they cannot manufacture or deliver product fast enough to meet dealers' needs. Needless to say, we're having difficulty getting all the product we need.
- Greenfiber, our cellulose insulation manufacturer, has announced a 4.5% increase for 9/2/24.
- USG Interiors, as previously announced, has increased ceiling tile costs by 7% on 8/19/24 and we will raise our retails soon.

## Hardware Humor:

## Words Worth Reading: (a twofer this month, both from Instagram posts)

### **I read a book that said:**

*"Marriage is hard.  
Divorce is hard.  
Choose your hard.*

*Obesity is hard.  
Being fit is hard.  
Choose your hard.*

*Being in debt is hard.  
Being financially disciplined is hard.  
Choose your hard.*

*Communication is hard.  
Not communicating is hard.  
Choose your hard."*

*Life will never be easy, but  
You can choose your hard.*

*Choose wisely.*

### **My grandpa once said:**

*Your terrible job is the dream job  
of the unemployed.*

*Your house is the dream of the  
homeless.*

*Your smile is the dream of the depressed.*

*Your health is the dream of the ill.*

*Don't let difficult times make you  
forget your blessings.*
