Commodities Update:

- Panels: OSB has been lingering on the lower side of its traditional trading levels and for all the "shortages" the mills have been claiming, prices seem to be steady. SYP plywood is another one that, for all the hype in the marketplace, has not been moving much. That is except for $\frac{3}{4}$ " CD which seems to be commanding premium prices recently.
- Dimension lumber: SPF, following the trend of panels, has been relatively stable with the exception of 2x6 and 2x10 which have been increasing more notably of late. On PT lumber there is a mixed bag- some prices up, some down. It is expected that the market will trade in a narrow range for the next few months, although some timbers like 6x6 are moving upward.
- USG and other gypsum manufactures have announced an increase for October 14. While the amount of increase has not been disclosed, it will most likely be in the \$10/MSF range.
- Roofing shingle supplies continue to be tight. We've heard that our primary source, GAF, is manufacturing only three colors presently.
- Looks like cellulose insulation did take a 4-5% increase as previously reported they were intending.

Quote To Think About:

"Life is so much more rewarding if you strive for something, rather than take what's handed to you on a plate." Amy Winehouse

"The worst thing parents can do for their children is something they are able to do for themselves." Heard this recently- don't know the source.

Brain Builder: Geography related trivia

- Name the two states that have an "X" in their name.
- In what country is the city of Mecca?
- Name the four states that begin with "I".
- Which of the Great Lakes is the source of the Niagara River?
- What is the largest city built on the St Lawrence River?
- Pyongyang is the capital of which country?

Words Worth Reading: "First Things First" song lyrics by Consumed by Fire

**All the things that I have held dear
The vanities that whispered in my ear
What would I do if they all disappeared?**

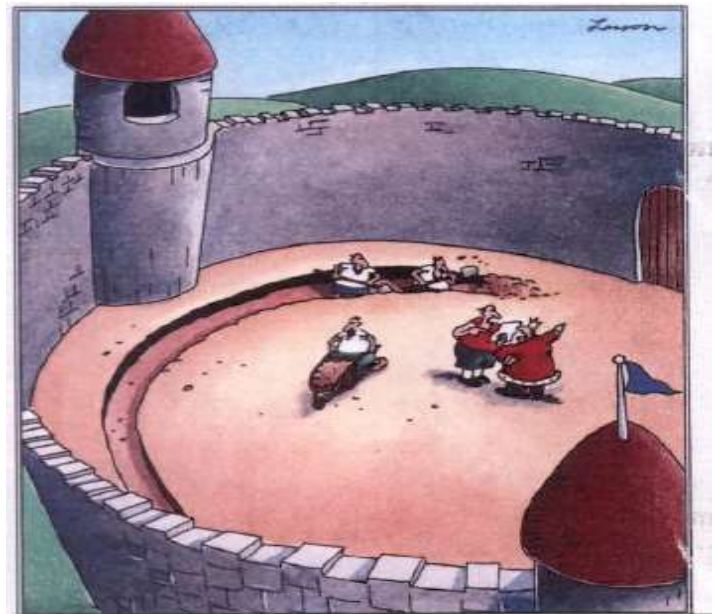

**Riches and fame and all they could buy
I've come to find they never satisfy
What would I gain if my soul's the price?**

**I don't wanna love what the world loves
I don't wanna chase what the world does
I only want you
I only want you**

**First things first
I seek Your will
Not my own
Surrender all my wants to you
Keep the first things first
To live your truth
Walk Your ways
Set my eyes
Lord I fix my face on you
All my desires reversed
To keep the first things first**

**I give it all
My life an offering
My heart is Yours
So have your way in me
Your kingdom's all I wanna seek**

Hardware Humor:

**Suddenly, a heated exchange took place
between the king and the moat contractor.**
