## Commodities Update:

- Dimension lumber: It has been a confounding time for buyers because the market is not responding to its normal stressors. Antidumping/countervailing duties imposed on Canadian producers (around 35%) and an uptick in national housing starts, both factors which usually increase the cost of wood, is not forcing the price up significantly. The market is moving only marginally, maintaining reasonably priced product for end users. How long this will last is questionable. SPF lumber and SYP/PT lumber remain a value.
- Panel products: OSB continues to linger at very low pricing levels while SYP and D Fir plywood is holding steady with modest increases on commodity panels.
- USG has announced a \$20/MSF increase on its Securock sheathing (Densglass equal product) for 9/29/25.
- As reported last month, USG Interiors has increased retail and commercial ceiling panels by 7% on 8/11/25.
- We continue to receive numerous price increases each week from our primary hardware supply source (Do-it Best) caused by steel and other import tariffs.

## Dad joke of the month:

*A friend of mine told me recently he went to buy one of those egg beating tools at the store and after he found it, decided to steal it. He said he knew it was wrong and that he might get caught, but he said "that was a whisk I was willing to take."*

## Quote to think about:

*"May kindness return to you  
In the same beautiful way  
that it was given."*

## Words worth reading:

"Let me ask you something-  
If someone prays for patience, do you think God gives them patience?  
Or does He give them the opportunity to be patient?"

If they prayed for courage, does God give them courage?  
Or does He give them opportunities to be courageous?

If someone prayed for their family to be closer, do you think God zaps them with warm fuzzy feelings?  
Or does He give them opportunities to love each other? .....

God just provides the opportunities for us. It is up to us to use them by one act of random kindness at a time."

From the movie "Evan Almighty"

## Hardware Humor:

"Straw, sticks and bricks are in aisle seventeen.  
Wolf repellent is in aisle four."
