## Commodities Update:

The obvious factor of ballooning oil prices, which is significantly affecting incoming freight and outgoing delivery costs, will eventually trickle down to many product cost increases. Manufacturers don't need much of an excuse to raise prices but this one seems legit. More to come. One vendor tells us trucking rates have **doubled** since the beginning of March. Trucking has not been all that reliable these past few years but we expect even more instability.

Dimension: **SPF** and **SYP (PT)** lumber is steadily increasing. Panels: **OSB** is holding pretty steady while **SYP plywood** continues to slowly increase.

We are continuing to see **metal products**, steel and aluminum notably, increasing at a somewhat alarming rate. If you are in the market for metal products of any sort, be prepared to pay more than you are accustomed to. If we can help you purchase your needs before this product line gets out of hand, please contact us.

Along this line, Clark Dietrich will again be increasing **steel stud** and accessories on 4/6/26.

Dupont **XPS rigid foam insulation** increased late last month and we will be raising our retails in the early/mid part of this month.

**Roofing** manufacturers GAF, Certainteed, Owens Corning and IKO will be raising prices 5-8% early this month.

## Quote to think about:

**"You know what real happiness is? It's seeing your kids grow into good human beings. Happiness is when you realize your children have turned out to be good people. Nothing in life makes the heart prouder than that."**  
From an Instagram post

## New Inventory Items:

Economical Majic **Barn & Fence Exterior paint** 5gal-both flat and satin sheen.

Truper 6 cubic foot **wheel barrow with dual wheels.**

5 gallon pails **Kilz 2** and **Kilz 3 stain blocking paint**-interior/exterior.

## Words worth reading:

The man whispered, "God, speak to me" and a meadowlark sang. But... the man did not hear.

So the man yelled, "God, speak to me" and the thunder rolled across the sky. But... the man did not listen.

The man looked around and said, "God, let me see you" and a star shined brightly. But... the man did not notice.

And, the man shouted "God, show me a miracle" and a life was born. But... the man did not know.

So, the man cried out in despair, "Touch me God and let me know you are here" whereupon God reached down and touched the man. But... the man brushed the butterfly away and walked on.

**Don't miss out on a blessing because it isn't packaged the way you expect.**

## Hardware Humor:

"Here's a cup. Give me a dollar's worth."

## Dad joke of the month:

*Two friends talking to each other:  
"At work what are you good at?"  
"I'm good at hiding from my boss."  
"Hiding? Why?"  
"Because I overheard my boss telling someone 'good employees are hard to find'."*

## Clearance Items:

We are discontinuing our stock of **Certainteed Landmark shingles** and are offering the remaining inventory at \$38.00 per bundle (\$114/square).

Please inquire current colors and quantities still available.

Going forward we will continue to sell GAF Timberline shingles.
